murder of Bruce Burkhead

residence of Burkhead

754 N. 54th Street

Additional Information:

Bruce Burkhead's friends report the last time they saw him was with two other men after a party May 16, 1982. His car was found May 17 stripped of parts near 38th Street and Ridge. Months later an unidentified body was found in the Mississippi River near Ste. Genevieve and using dental records was identified as Burkhead. Uncertainty over which police district was responsible (Ste. Genevieve, MO or East St. Louis, IL) delayed any investigation. Burkhead was 28 years old.
